November 2009

Beloved stewards and parishioners of Saint George:

Greetings in our Lord and Savior Jesus Christ.

The autumn is a time of Homecoming. The phrase "Gather My People to My Home" is God's perpetual invitation to Come and See all that God can be to us and we to Him through a submission of self centeredness to His divine plan for our salvation. God's way is always concerned with the greater good and transformation of the community of faithful into His image and likeness.

We can start our personal transformation on November 15 with the Nativity fast as we prepare for the Birth of our Lord and Savior Jesus Christ.

Stewardship Sunday is November 22 and we will be asked to recommit ourselves and our lives to Christ our God through our personal pledge of time, talent and treasure for 2010.

We will again celebrate worship services on Thanksgiving morning.

Yiayia's Kitchen (see insert) and Flea Market will be November 20-21. Bring your friends and family and partake of the great delicacies!

Our Parish General Assembly will convene on Sunday, November 8.

I look forward to being with you this November.

With love in Christ,

+Rev Economos Basil C. Gikas, Pastor
